- DISPLAY BUILDING
- STAFFING SERVICES

RAIL-SERVED WAREHOUSING

Moving freight long distances via rail can be a very economical and efficient form of transportation, especially for heavier freight. Evans Distribution Systems operates (4) rail-served warehouse facilities in Michigan with direct rail access from both Norfolk Southern, Union Pacific, and CSX. Freight from inbound railcars can be transloaded into containers for overseas shipping, onto trucks for domestic delivery, or stored in our warehouse. Also, rail-served warehouses are more cost effective since customers pay rail fees, with no additional drayage costs.

If you need to ship your freight via rail, but are not rail-served at your own facility, we can consolidate truckload shipments at one of our facilities and then ship outbound via our rail-served warehouse.

The following facilities are rail-served:

1. Progressive Distribution Centers
6307 West Fort Street.
Detroit, MI 48209
NS Rail
2. Progressive Distribution Centers
12900 South Huron River Dr.
Romulus, MI 48174
CSX Rail - 16 Rail Cars
3. Progressive Distribution Centers
18765 Seaway Drive
Melvindale, MI 48122
CSX & NS Rail
